**WE WILL  
NEVER FORGET**  
*September 11, 2001*

America is the land of freedom and liberty. NEVER FORGET, liberty comes at a huge cost at times. NEVER FORGET the victims of September 11th, 2001 in New York, Pennsylvania and the Pentagon whose lost lives left a void in our hearts forever, but will be a perpetual reminder of the values we cherish as a Nation. NEVER FORGET them and the sacrifice of all those who have gone before them, after them, and those who continue to defend our liberty and freedom everyday.

# Mayor Emanuel Breaks Ground On West Ridge Nature Preserve

Mayor Rahm Emanuel broke ground today on the development of the West Ridge Nature Preserve, a 20.6-acre wooded site that will become a new park and nature trail along the northwest edge of Rosehill Cemetery.

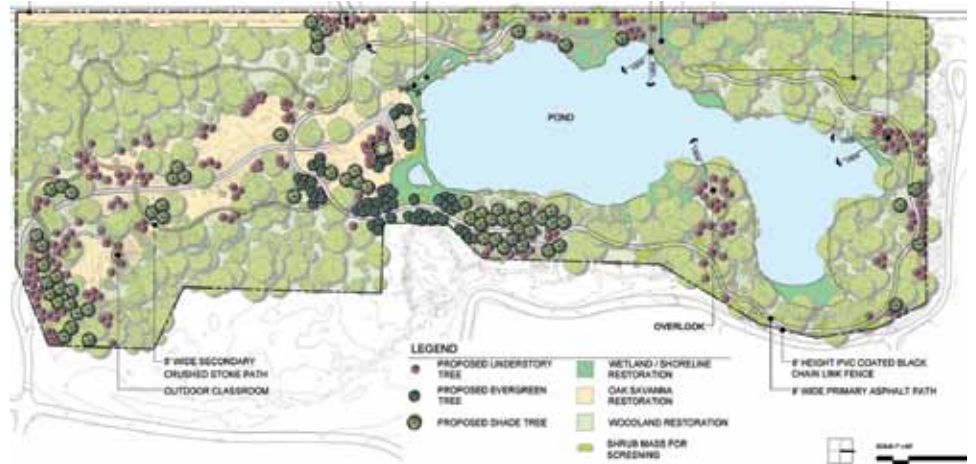

"Having been inaccessible for decades, this site, which forms a unique, natural landscape, will finally be opened for public appreciation," Mayor Emanuel said. "For decades, the pond and surrounding woodland remained untouched. Soon the barricades soon will be torn and it will be a place for families to enjoy nature, a place for children to learn about nature, and a place for the fabric of this community to grow stronger every day."

The wooded site in the 5900 block of North Western Avenue was never devel-

oped for cemetery purposes. Characterized by rolling topography, mixed woodlands with deciduous trees, its central feature is a 4.5-acre pond, which served as a stormwater retention facility for the cemetery.

"West Ridge Nature Reserve is a great example of creative ways to increase park space and recreational opportunities in the city of Chicago," said Michael P. Kelly, Chicago Park District General Superintendent. "Repurposing this area gives residents the chance to experience the beauty of nature in their own community."

The land was acquired by the City from Rosehill in 2011 for \$7.8 million and transferred to the Chicago Park District in 2012. The Chicago Department of Transportation is managing the \$5 million restoration project, which is expected to be completed next

summer.

The West Ridge Nature Preserve will feature the following amenities:

- Restoration of the degraded woodland
- Planting of native trees and plants
- Removal of invasive species
- Multipurpose trail around the park
- Elevated overlooks and boardwalks

- Restoration of the existing pond
- Educational and interpretive signage
- Perimeter fence around the property with new entrances
- Fishing stations and wildlife-viewing opportunities
- Utility improvements, including water, sewers and electricity

If your tree is chosen, you and your family will be invited to light the tree at the 101st Annual Christmas Tree Lighting Ceremony on Tuesday, November 25 with Mayor Emanuel.

## "Safety Tips For Living At Home" Is Timely Talk At Norwood Crossing For Sept. 17

Many personal accidents, such as falls, cuts, sprains, trips, and head bumping, occur not outside but inside the home where most of us feel secure and are apt to do things which might seem the norm but put ourselves at risk daily. The Timely Talk presentation, "Safety Tips for Living at Home," will take place at 2:00 p.m., on Sept. 17, at Norwood Crossing, 6016-20 N. Nina Ave. in Chicago.

Bea McDonough, Director of Sales for Norwood Seniors Network and a resident of Norwood Park, will examine the big and small things that each of us can do to improve our home safety. She will also point out the various tools that are available for elderly people to live more independently in their homes with a greater sense of security.

A question and answer session and a door prize drawing will follow the talk. Refreshments will be served. Please RSVP by calling (773) 577-5323 or emailing [info@norwoodcrossing.org](mailto:info@norwoodcrossing.org).

# SKOKIE THEATRE

NOTHING COMPARES TO THE THRILL OF LIVE ENTERTAINMENT

## Broadway in Skokie

By Wayne Mell – Managing Director

Well, we've done it. The overture is playing, the lights have been lit. MadKap Productions is opening our first Broadway musical, Sweet Charity, live on-stage at Skokie Theatre. And oh, what heights we've hit.

Surprisingly, the first question we're asked isn't, "When?" (September 12 – 28) or, "Are there matinees?" (Sunday afternoons plus one special Wednesday matinee on September 17). People want to know "How are you going to fit that big show in your theatre?"

I realize that this is the age of Broadway in Chicago, where audiences are used to seeing real helicopters fly in, or reconstructed pirate ships fire real cannons at one another. But a Broadway musical isn't about being big. They're about being GRAND! And Sweet Charity promises to be just that.

This charming story of an optimistic dance-hall girl who won't let life drag her down was written by none other than Neil Simon himself. Show-stopping songs like "Hey Big Spender" and "If My Friends Could See Me Now" were written by Cy Coleman and Dorothy Fields. And if that wasn't grand enough, this is the show that put Bob Fosse on the map with his special style of jazz choreography, executed to perfection by the twelve talented performers in our ensemble. (By the way, Broadwayhome.com lists only 10 performers in the original Broadway cast). They may all sing, "There's got to be something better than this," but you're not likely to find it on stage.

The cast is lead by Chicago cabaret star Sarah Hoch as the plucky, spirited Charity Hope Valentine. She'll make you laugh, and cry, and cheer as she takes you with her on her journey. And if she leaves you wanting more, take note that Sarah will also be performing her one-woman cabaret show "Fatal Attraction" at Skokie Theatre on October 30.

Sweet Charity runs from September 12 – 28. Show times are at 7:30 pm on Fridays and Saturdays, 2 pm on Sundays, with one Wednesday afternoon matinee at 1:30 on September 17. Tickets are \$38 general admission, with \$33 for seniors and \$28 for students, and can be ordered online at [SkokieTheatre.org](http://SkokieTheatre.org) or by calling 847-677-7761. Readers of Our Village always get a deal. Mention discount code VILLAGE to receive \$5 off individual tickets.

Sweet Charity kicks-off our four-show play series, which also includes Crimes of the Heart in November, Same Time Next Year in February, and Oleanna in May. Series subscriptions are available from \$65 to \$97.

# NEVER FORGET 9-11-01

## Patriot Day - September 11

In the United States, Patriot Day occurs on September 11 of each year, designated in memory of the 2,977 killed in the September 11, 2001 attacks. Initially, the day was called the Prayer and Remembrance for the Victims of the Terrorist Attacks on September 11, 2001.

On this day, the President directs that the American flag be flown at half-staff at individual American homes, at the White House, and on all U.S.

government buildings and establishments, home and abroad. The President also asks Americans to observe a moment of silence beginning at 8:46 A.M. (Eastern Daylight Time), the time the first plane struck the North Tower of the World Trade Center on September 11, 2001.

# What Keeps a New Mom Up at Night Besides the Baby?

**Chester M. Przybylo**

The birth of a new baby is a wondrous, joyous event. Henry David Thoreau said that “every child begins the world again.” Your world certainly began anew with your new baby!

It was a long path and it all seemed to happen so fast! But, it seems like there are still so many decisions to be made now and as your baby grows from infant to toddler, to school-age, to young adult. And, who would make those decisions if something happened to you?

First, if you died or were mentally incapacitated, your baby would need a Guardian to look after their physical and financial well being. You “nominate,” or suggest, a Guardian for your child in your Will. When the court is determining who should be named your child’s Guardian, it will give your preferred choice a lot of weight. The Guardian would have the privilege and responsibility of taking care of your child and providing for their material and emotional needs in the event of your death. Select—the person as Guardian whom you trust most to raise your child and provide them a loving, nurturing environment. However, be sure to discuss the matter with the person you intend to select to make sure they are willing and able to take on the responsibility.

The best person to serve as your child’s Guardian may not have sufficient financial resources to provide the future you want for your child. And, you do not want your child to cause any financial hardship on the Guardian. Life insurance can provide the financial resources that could be used to pay for your child’s living expenses and education, and enable the future you want for your child.

One of the most important ways you can plan for your baby’s future is to plan for your own future. A qualified estate planning attorney can help you create a comprehensive plan:

- A Revocable Living Trust holds your property during your lifetime. If you become incapacitated, it allows for easy management of your property for you and your child. So, if you become ill, the person you designate, your successor “Trustee,” can step in to make sure things are handled until you are up and around again. In the event of your death, that person would manage the assets for the benefit of your child in the manner you’ve set forth. Your life insurance can be paid to your Trust so that the money is managed for your child by a responsible adult, the Trustee you’ve selected.
- A Financial Power of Attorney allows your “Agent” to take care of assets outside the Trust.
- A Health Care Power of Attorney (also known as an Advance Health Care Directive or Health Care Proxy) allows you to appoint someone to make health decisions for you in the event you are unable to make them for yourself. Having your health decisions in capable hands means you’ll be able to recover faster to be with your child.

- The Health Insurance Portability and Accountability Act (HIPAA) prohibits the release of protected health care information without your permission. It is important to make sure your loved ones and prospective decision-makers can access your health information, when necessary. A HIPAA Authorization Form ensures access to your protected health information for people whom you designate. This way people you designate can continue to get your health records, which may be crucial to your baby’s future well-being. For example, your child may need to know things about your medical history to diagnose their own medical issues.

A qualified estate planning attorney, who focuses his or her practice in estate planning, can help you put together a comprehensive plan that will care for you and your child in the event of your incapacity or even your death. Protect yourself and your baby from the unexpected. Call and schedule an appointment with an estate planning attorney today. You’ll sleep better once you do.... at least when the baby lets you!

# Fall Beautiful Fall - Time To Prepare For Winter

By: Nick Urhausen, Urhausen Greenhouses

The chill of the first cool nights of fall serves as a warning that the growing season is coming to an end. By all means, enjoy your flowers for as long as the weather permits. We can even stubbornly try to protect and cover animals from the onset of cooler temperatures. However, hard frosts will eventually take their toll. At this time I strongly urge gardeners to clean up all dead flowers and vegetable plants. This is the first step towards having a great garden next year.

Then I would suggest adding a two to three inch layer of an organic material to the soil. If you have a compost pile, this would be a good time to work in this material.

Another option is to work the leaves from your yard into the soil. Adding these materials will have several benefits. First, the organic matter will have a chance to further decompose during the long, wet fall and winter. As the organic material naturally breaks down, this will add nutrients to the soil for next years plants.

Second, really digging and working up the soil in the fall aerates and loosens it and prevents the ground from becoming too hard. This is very important because a loose soil allows plants to develop healthy roots systems.

None of this work is very glamorous, however conditioning and preparing soil is one of the most important keys to having success as a gardener. Next spring your flower and vegetable plants will benefit from growing in a nutrient rich, loose soil. *Urhausen Greenhouses, Inc. is located at 6973 N. East Prairie Road in Lincolnwood. Skokie Car-Free Day will celebrate the idea of a less car-dependent future on Monday, September 22, 2014. Skokie has invested in this type of future by planning for and constructing new segments of the Skokie Valley Trail ([www.skokie.org/CDBicyclePlan.cfm](http://www.skokie.org/CDBicyclePlan.cfm)), and opening the new Oakton-Skokie Station and constructing wider sidewalks in Downtown Skokie.

## EDISON PARK RESTAURANT WEEK

Edison Park is located on the far Northwest side of Chicago and in 2010 was named as part of the "20 Best Town and Neighborhoods in Chicago and the Suburbs" by *Chicago Magazine*. Edison Park is a tight-based community with a booming business district including ten restaurants within blocks of each other.

The Edison Park Chamber of Commerce in partnership with our Edison Park restaurants is offering a fantastic opportunity to get a taste of fine dining without breaking the bank: EDISON PARK RESTAURANT WEEK (September 22-28)! The nine participating restaurants are Café Touche, Zia's Trattoria, Don Juan's, Nonno Pino's, The Curragh Irish Pub and Restaurant, Elliott's Seafood Grille & Chop House, Firewater Saloon, Moretti's, and Edison Park Inn. Each restaurant will offer a prix-fixed meal at various prices to fit everyone's budget. All menus will include an appetizer, entrée, and dessert. Prices are per person. Beverages, tax, and tip are not included. Reservations are strongly encouraged for dinner.

Starting in 2008, Chicago Restaurant Week was created to help boost business at area restaurants in what is typically a slower time of the year. It was such a success the first go around that it's now been turned into an annual event. In 2011, the Edison Park Chamber of Commerce, decided to host their own version of this annual Chicago event. As many of the restaurants normally have entrée selections well into the \$20 range, this provides a unique opportunity to sample some great cuisine and get a nice bottle of wine and spend less than \$100 for an enjoyable dinner for two. For more information visit our websites at [www.eprestaurantweek.com](http://www.eprestaurantweek.com), [www.edisonpark.com](http://www.edisonpark.com), email [info@edisonpark.com](mailto:info@edisonpark.com), or call (773) 631-0063.
